

2018 – our 49th year!

Christmas Sharing

OF WHEATON WARRENVILLE

*A community-wide effort to bring a nicer
Christmas to over 900 families!*

IT'S CHRISTMAS SHARING TIME!

Christmas Sharing of Wheaton Warrenville served over 900 families last year. As our economy continues to fluctuate, the need remains for 2018.

During November, students in School District 200 collect food, new and gently used clothing, and toys to help less fortunate families in our area. Sponsored by School District 200, churches in Wheaton and Warrenville, individuals, and businesses, this program reaches to the corners of our community.

Families apply to participate in the program through their children's school. They are then sent a letter of invitation to come to one of the designated churches to make their selections. Families may choose clothing and household goods, new Christmas toys for their children, and receive a box of food. World Relief also plays an active role in identifying newly arrived families that are in need of assistance in our area.

School District 200 donates its vans to transfer the collected items to various churches. Every church prepares for Christmas Sharing in its own way, but mostly it is a week of sorting, sizing, and stacking clothing, shoes, toys, and household items. Non-perishable food boxes are prepared for each family.

Local businesses donate food, paper goods, soap and clothing. Individuals and civic groups donate money, which is used to purchase gift certificates to local grocery stores, which are then given to each family. Many area restaurants donate meals for volunteers as they work to prepare for this community-wide event.

This quiet miracle has happened in our community every year for the past 48 years. Won't you please find it in your heart to help?

For further information about our program, contact Barb Wernicke through the Gary UMC office at (630) 668-3100.
